

PROF. M.D.

Yasemin Ersoy

Infectious Diseases and Clinical Microbiology · Clinical Laboratory

About Yasemin Ersoy, M.D.

Prof. **Yasemin Ersoy** is an experienced infectious diseases and clinical microbiology specialist with a medical education rooted in Inonu University, where she completed her training in 2000. She brings decades of clinical expertise to patient care, hospital infection prevention, and antimicrobial stewardship. Her active professional involvement includes membership in national and specialty societies: the Hospital Infections Society, the Society of Clinical Microbiology and Infectious Diseases (KLIMIK), and the Infectious Diseases and Clinical Microbiology Specialty Society of Turkey (EKMUD), where she also contributes to the Sepsis Working Group. These roles reflect her commitment to advancing clinical practice, infection control, and sepsis management through collaboration, education, and evidence-based care. Known for a patient-centered approach and strong clinical judgment, Prof. Ersoy focuses on preventing and managing infectious complications in healthcare settings and supporting multidisciplinary efforts to improve outcomes for patients with complex infections.

Medical Units and Clinical Services

- Infectious Diseases and Clinical Microbiology
- Clinical Laboratory

Education

- 2000 — Inonu University Faculty of Medicine, Infectious Diseases and Clinical Microbiology
- 1992 — Erciyes University Faculty of Medicine

Experience

- 2024 – Present — Senior Specialist, Infectious Diseases and Clinical Microbiology
- 2011 – 2024 — Inonu University / Faculty of Medicine / Department of Internal Medicine / Infectious Diseases and Clinical Microbiology / Prof. Dr.
- 2006 – 2011 — Inonu University / Faculty of Medicine / Department of Internal Medicine / Infectious Diseases and Clinical Microbiology / Assoc. Dr.
- 2001 – 2006 — Inonu University / Faculty of Medicine / Department of Internal Medicine / Infectious Diseases and Clinical Microbiology / Dr. Assoc. Member
- 2000 – 2001 — Inonu University / Faculty of Medicine / Department of Internal Medical Sciences / Infectious Diseases and Clinical Microbiology / Lecturer
- 1995 – 2000 — Inonu University / Faculty of Medicine / Department of Internal Medicine / Infectious Diseases and Clinical Microbiology / Research Assistant

Memberships

- Hospital Infections Society
- Society of Clinical Microbiology and Infectious Diseases (KLIMIK)
- Infectious Diseases and Clinical Microbiology Specialty Society of Turkey (EKMUD)
- Sepsis Working Group – EKMUD

Publications

- **Evaluation of CD4/CD8 ratio in treatment follow-up of patients with HIV diagnosis in an infection clinic**

Annals of Medical Research, 29(7), 743-747., Doi: 10.5455/annalsmedres.2022.01.022 (Publication No: 8104187)
