

PROF. M.D.

# Ayşe Sesin Kocagöz

Clinical Laboratory · Infectious Diseases and Clinical Microbiology

## About Ayşe Sesin Kocagöz, M.D.

Prof. **Ayşe Sesin Kocagöz** is a Professor of Medicine with a medical degree from Yeditepe University (2004). She specialises in clinical microbiology and infectious diseases. She is an active member of multiple professional societies, including the Turkish Microbiology Association, Ankara Microbiology Association, Infectious Diseases Society, Ankara AIDS Fighting Association, the American Society for Microbiology, and ESCMID (European Society for Clinical Microbiology and Infectious Diseases). Her work focuses on advancing diagnostic and treatment practices in infectious diseases and promoting collaboration within national and international microbiology communities.

## Medical Units and Clinical Services

- Clinical Laboratory
- Infectious Diseases and Clinical Microbiology

## Education

- 2004 — Yeditepe University Faculty of Medicine / Professor
- 1997 — Hacettepe University Faculty of Medicine / Associate Professor
- 1993 — Hacettepe University Faculty of Medicine, Infectious Diseases and Clinical Microbiology
- 1985 — Gazi University Faculty of Medicine

## Experience

- 2011 – Present — Senior Specialist, Infectious Diseases and Clinical Microbiology
- 2003 – 2008 — Yeditepe University Faculty of Medicine / Basic Medical Sciences Department of Clinical Microbiology and Infection
- 2002 – 2004 — Sabancı University Natural Sciences and Engineering
- 1993 – 2003 — Hacettepe University Faculty of Medicine, Department of Internal Medicine, Infectious Diseases Unit, Lecturer
- 1997 — Universidade de Lisboa, Oeiras, Lisbon, Portugal — Molecular Epidemiology Research Assistant
- 1991 – 1994 — University of California San Francisco, Infectious Diseases Department, Microbial Pathogenesis Unit / Research Fellow
- 1988 – 1991 — Hacettepe University Faculty of Medicine, Research Assistant
- 1985 – 1988 — Kocaeli Bekirdere Health Center

## Memberships

- Turkish Microbiology Association
- Ankara Microbiology Association
- Infectious Diseases Society
- Ankara AIDS Fighting Association

- American Society for Microbiology
- ESCMID (European Society for Clinical Microbiology and Infectious Diseases)

## Publications

- Members of the Turkish Bacterial Meningitis in the Elderly Study Group: Kocagöz S — Community-acquired acute bacterial meningitis in the elderly in Turkey. *Clin Microbiol Infect.* 2010 Aug;16(8):1223-9. Erdem H, Kilic S, Coskun O, Ersoy Y, Cagatay A, Onguru P, Alp S.
- Lateral flow assay for rapid differentiation of Mycobacterium tuberculosis complex and 97 species of mycobacteria other than tuberculosis grown in Löwenstein-Jensen and TK-SLC medium. *J Med Microbiol.* 2010 Oct-Dec;28(4):308-12. Akyar I, Kocagoz T, Sinik G, Oktem S, Aytekin N, Kocagoz S.
- The risk factors and spread of multidrug resistant Acinetobacter baumannii in intubated patients in a medical intensive care unit. *Turk J Med Sci*, 39(5):761-769. 2009. Alp E, M.Yerer, S.Kocagöz, G.Metan, D.E■el, Y.Gürsoy, M.Do■anay.
- Bacillus circulans paracardiac infection in Non-Hodgkin lymphoma — A case report. *Annals of Microbiology.* 2008. Gürol Y, Kipritçi Z., Koç Y., Kocagöz S.
- CTX-M-3 Type Beta-Lactamase Producing Shigella sonnei Isolates from Pediatric Bacillary Dysentery. Acikgoz ZC, Koseoglu Eser O, Kocagoz S. *Jpn J Infect Dis.* 2008 Mar;61(2):135-7.
- Carbapenem-resistant Escherichia coli and Klebsiella pneumoniae isolates from Turkey with OXA-48-like carbapenemases and outer membrane protein loss. Gülmez D, Woodford N, Palepou MF, Mushtaq S, Metan S, Metan G, Yakupogullari Y, Kocagoz S, Uzun O, Hascelik G, Livermore DM. *Int J Antimicrob Agents.* Mar 11, 2008.
- Comparison of the efficacy of two new disinfectants with other disinfectants. Gürol Y, S. Kocagoz. *Türkiye Klinikleri J Med Sci* 2008;28:128-132.
- CTX-M-3 type extended-spectrum beta-lactamase-producing Morganella morganii: first description of an isolate from Turkey. Metan G, Gulmez D, Eser Ok, Kocagoz S, Sardan YC, Hascelik G. *Int J Antimicrob Agents.* 30(4):368-70, Oct 2007.
- Investigation of genotypic and phenotypic characteristics in vancomycin-resistant Enterococcus faecium roots. Müzeyyen M. Torun, Serdar M Alt■nkum, Hrisi Bahar, Sesin Kocagöz, P■nar Biçer, Mehmet Demirci. *Turkish Microbiol Cem.* 2005;35:153.
- Acquired Immunodeficiency Syndrome. AIDS. S. Kocacagöz. *Actual Medicine* 2003, 11(12):68-76.
- DIO-Salmonella selective medium, a novel medium for specific isolation of Salmonella spp. Kocagoz S, F. Budak, F. Kirca, D. Gur, T. Kocagoz. *Clinical Microbiology and Infection*, 2003, 9(1):214.
- Diseases caused by intestinal parasites. S.Kocagöz. *Actual Medicine*, 2002, 10(2):74-80.
- An evaluation of antimicrobial resistance of Gram-negative isolates in intensive care units (ICU). Kocagöz S, B. Altun, Y. Cetinkaya, D. Gur, Ö. Uzun, M: Akova, S. Unal. *Clinical Microbiology and Infection.* 1999;5 S3:362.
